

Lean Six Sigma
Green and Black
Belt Certificate

Improve Your Career Options with a Professional Certification

Get Ahead Education Limited

Professional certificate and specialized studies programs help you increase or enhance your current skills or prepare for a new career. Courses involved are industry oriented and instructors are experienced and highly qualified leaders in their field. Convenient on line and classroom courses make it easy to learn at your convenience. A certificate or specialized studies award bearing the GAEL seal signifies a well-known, uncompromising standard of excellence.

WHY CERTIFICATION?

Improve Performance.

Eliminate Redundancies

Achieve Extraordinary Results

Take your organization to the next level of productivity and profitability with GAEL's Lean Six Sigma Green and Black Belt Training Programs. Our programs have provided organizations large and small, from manufacturing to service industries, with the tools and techniques to dramatically improve their processes and financial performance—thereby ensuring their competitive edge in the marketplace.

Who Should Attend

Those who are responsible for, or are looking to contribute to, high impact projects by incorporating Lean Six Sigma methodology.

Program Benefits:

Your company's bottom line will benefit from your ability to:

- **Execute better:** Lean Six Sigma links strategic plans to operational improvements to create efficiencies for your business.
- **Build customer loyalty:** Lean Six Sigma helps you target your customer needs so you can improve the things that matter most to your customers.
- **Create greater returns** by lowering operating costs and delivering products and services quicker and with higher customer satisfaction through operational Excellence.

Program Requirements:

A Green Belt specialized studies certificate is awarded upon successful completion of Green Belt.

A certificate in Black Belt is awarded upon successful completion of Black Belt, in addition to the GAEL -approved training already completed in Green Belt.
